

TOMORROW FUND

What is the Tomorrow Fund?

The Tomorrow Fund offers grant money to clubs and districts that need help funding a service project. Grants are awarded annually ranging from US\$200-US\$2000. Applications including budget proposals and supplementary documents must be submitted by December 1. For more information, visit [the CKI website](#)

Project Ideas

- Purchase fabric to make no sew fleece blankets. The blankets can be donated to a shelter for women and children.
- Purchase books which can be taken to a school in need and members can read with the kids one day a week.
- Solicit donations from area businesses and combine them with the grant to purchase school supplies for a school in need.
- Have a serenade where attendees can bid on a serenade on stage. Use the grant to help fund the event which can be used as a fundraiser for another cause or charity.
- Fix up a park fence or play equipment on the playground. This is a great way to get the community and K-Family involved too.
