Bosco Center, Columbus

District Convention (DCON)

Dates TBD

Camp Nuhop, Perrysville

Spring Officer Training

Dates and Location TBD

More information for future events will be provided as it comes. We hope to see you all at each event!

Club Spotlight

This could be your club! Send pictures and stories about your club's interesting and successful service projects to tmcdeane@capital.edu to be considered for this column. Show your club spirit!

Membership

Our goal this year is to increase the membership of each club in the district by 20%. To reach this goal, it is important that each club optimize its recruitment strategies. Public Relations Chair Megan Hurley has created several resources to help your club be the best it can be when it comes to recruitment. These resources can be found at OhioCKI.org under Resources > Membership Development & Education.

A Welcome from the Governor

District Governor Molly Baumann

Hello Ohio District! Welcome back to school! I hope you all had a restful and relaxing summer and are feeling refreshed for the start of the school year. I hope you are ready for a great year in Circle K full of service, leadership, and fellowship. I hope that this year we can come together as a district to truly make a difference in the community. Through interclubs and Kiwanis Family Relations, we will be able to do more service and also make and strengthen friendships. We must also strengthen our home clubs. I challenge each of you to elevate your club to a new level! Kiwanis' theme for the year is "Soar to New Heights". I encourage you to adopt this as well and work to make your club the best it can be.

Reaching new heights starts with the beginning of the year. I'm guessing many of you joined Circle K because of the excitement you felt at the beginning of the year. As we start out the year, make sure you are welcoming to new members. Get to know them outside of their major, hometown, and other simple questions. You can ask them about their fa-

vorite high school activity, the thing they are most excited for in college, the thing they are most anxious about in college or their dreams for their future. Show that you care about them as an individual and not just as another pair of hands at a service project. The club meetings inside and outside of the Kiwanis Family that I most look forward to are the ones where I feel like I belong and I feel welcome in the group. That starts with conversation and stepping away from your group of friends and meeting someone new. Sit in a different seat and with different people at each meeting. The more people you talk to, the more welcoming the environment. Create an atmosphere that others want to be a part of!

As we welcome you back to a new school year, welcome new members into the club so that together we can achieve great things this year. I look forward to working with you all this year!

In Service,
Molly Baumann

Meet the District Board!

Governor Molly Baumann

Ohio State University
molly.baumann.113@gmail.com

My role as governor is to help you succeed as a club. From marketing resources to service project ideas, I am here to help each of you succeed as Circle K members and to help your club achieve their goals for the year. Please do not hesitate to contact me if you have questions, concerns, or want to share an idea.

Treasurer Tyler Milburn

Ohio State University
milburn.30@buckeyemail.osu.edu

My plan to serve the district is to assist all Clubs with their Treasurer duties, as well as providing support, examples, and tutorials that may assist a club.

Secretary Lizzie Minotti

Ohio State University
lizzieminotti13@gmail.com

Hello Ohio District! My name is Lizzie Minotti and I am the district secretary. This year I have many goals; my major one is helping club secretaries and making sure monthly report forms are being submitted. I am really looking forward to working with all of you and if you need anything, just let me know.

Public Relations Chair Megan Hurley

Ohio State University
megandhurley@gmail.com

This year, I plan to help you help your clubs by giving you ideas of how to promote your clubs to potential members, educate them about Circle K, and make them want to stick around.

Laws, Regulations, and Awards Chair Cara Schaefer

Ohio State University

schaefer.296@buckeyemail.osu.edu

I'm currently serving the district by helping to plan our annual Fall Rally and by keeping our bylaws and policies up to date. Feel free to email me with any questions or suggestions. I hope to see you all at Fall Rally!

Western Reserve Lieutenant Governor Maria Curcio

Ohio State University

mcurcio10@mail.bw.edu

I plan on helping the district through my role as LTG by listening to and aiding the groups in my area of the district. If anyone from Kent, Hiram, Akron, or BW (actually, just anyone in Ohio CKI) needs assistance with anything from fundraising to service projects, I'm your gal!

K-Family Chair Karson Stevenson

Ohio State University

kasteven@owu.edu

I plan on using my position to help encourage and expand on interclub relations ranging across all ages within the Kiwanis Family.

Technology Chair Parker Kurtz

Ohio State University

kurtz.66@buckeyemail.osu.edu

As the technology chair, my goal this year is to have every club connected through the mighty power of the internet. In this day and age, we have the power to reach all sorts of people with our message. So let's use these tools to spread the word about Circle K and what we do! Contact me if you have any questions.

Editor Trey McDeane

Ohio State University

tmcdeane@capital.edu

I am in charge of our district newsletter, the *PACE Setter* (which you're reading now). Aside from that, my goal is to help club editors and historians use their roles to serve their club effectively.
